# NTRP RATING OVERVIEW

Academy		Tournament Training
NTRP Rating	4.0 or higher	3.0 or higher
Forehand	Good consistency and hits with depth and control on moderate shots. High placement skill and ability to control the pace of a rally.	Moderate consistency and ability to direct the ball at will. Developing spin and depth control. Generally aims for continued neutral play.
Backhand	Directs the ball with consistency and depth on moderate shots. Developing ability to return neutral shots with an offensive backhand.	Fair consistency on moderate shots with some directional control. May display difficulty returning high or hard shots and plays defensively.
Serve and Return	Places both first and second serve, often with power on first serve. Dependably uses spin as a part of their strategy for the point. Can return serve with depth in singles and mix returns in doubles.	Developing consistency, rhythm, and spin. Little placement skill during first serve and second serve is considerably slower. Can return a power or spin serve with fair consistency.
Volley	Can put away easy overheads and poach in doubles. Follows aggressive shots to the net and finish points off quickly. Hits to opponent's weaknesses. Able to lob defensively on difficult shots and offensively on set-ups.	Consistent ability to get overhead shots in. Developing skills in approach shots and drop shots. Proficient in defensive lobs.
Special Shots	Can put away easy overheads and poach in doubles. Follows aggressive shots to the net and finish points off quickly. Hits to opponent's weaknesses. Able to lob defensively on difficult shots and offensively on set-ups.	Consistent ability to get overhead shots in. Developing skills in approach shots and drop shots. Proficient in defensive lobs.
